WEEKLY UPDATE

12/16/20

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 68 residents and 38 staff members test positive for COVID-19. All positive Residents in the facility have recovered and 36 staff members are back at work.

We have special activities to entertain the Residents during the Holiday season. Yearly Contec (local business) generously contributes gifts to all the Residents and Santa Claus delivers the presents to them. This year staff will be passing out the gifts since Santa Claus isn't allowed in the building. Residents Christmas party will occur on the 23rd. Social distancing and proper PPE will be worn during this party.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 864-503-0377.

Sincerely,

Pat Harris
