## **VISITATION UPDATE**

**September 4, 2020**

Dear Residents and Families/Representatives,

As many of you know, Governor McCaster has instructed all South Carolina nursing homes to begin implementing limited visitation. We understand that this has been an extremely difficult time for you and your loved ones and we look forward to opening our doors again, safely.

On September 1<sup>st</sup>, DHEC announced its guidelines for limited outdoor visitation, which can be found [here](#). Unfortunately, because we have had confirmation of new positive cases within the past 14 days we are unable to begin visitation at this time. We are, however, working hard on a plan that we can submit to DHEC for approval once we have gone fourteen days without confirmation of a new case.

We greatly appreciate your patience during this time and we will update you as soon as a visitation plan is in place. Please continue to check our websites for updates.

Sincerely,

*Pat Harris*
